

Leukaemia Care

YOUR Blood Cancer Charity

GET TO KNOW US!

Learn more about who we are, and what we do to support patients, families, and health professionals.

Who we are

Leukaemia Care are a national charity supporting anyone affected by leukaemia, MDS and MPN.

We offer support not only to patients, but also to their families as well as health professionals working with blood cancer patients.

What we do

Getting a diagnosis can be overwhelming, and it's often hard to know where to start looking for information and support. At Leukaemia Care we provide support financially, emotionally and practically, through services such as support groups, patient information booklets, helplines and by providing grants.

Our services are built on understanding the issues felt by those with a diagnosis and working on individual solutions and campaigning for universal changes.

It's our mission to surround people with the support they need and deserve, and you can be a part of this too!

Could you help?

There are a range of ways you can support us with the work that we do for those living with leukaemia, from taking on your own fundraising challenge to donating directly in support of us.

We love hearing from our supporters, so why not get in touch with our team to share how you will be supporting us by emailing fundraising@leukaemiacare.org.uk.

You can find everything you need to donate by scanning the QR code with your phone/tablet's camera app. Click the link that appears and wait for the page to load (iPhone 7 and above, android phones).

Make a donation

We've got even more information available on our website. Just head to leukaemiacare.org.uk/get-involved/fundraise-for-us to find out more.
